Governing Board

Dana Dolan, Chair

It has been my joy and honor to serve as the Governing Board Chair for the 2018-2019 program year. I am thankful for our faith-filled and vibrant Flossmoor Community Church congregation, Pastor Fred's spiritual leadership, our thoughtful Governing Board, and the commitment and creativity of the entire church staff. FCC's worship service, Christian education, music ministries, and community engagement programs continue to connect us and inspire our faith journeys.

I was moved by the congregation's generous response to our stewardship themes of abundance, gratitude, and hospitality. Thank you! I also want to thank the FCC Foundation for their tremendous support of the three-year facilities maintenance and improvement plan for our beautiful church and Community House. Here are just a few of many program year highlights, guided by FCC's four strategic plan priorities:

Ministry to Children, Youth, and Families

- As the new Director of Children's Ministries, Leslie Maxie, (and many volunteers) hosted summer vacation bible school, parent visiting days, and Wednesday programs
- Allison Billings, Director of Youth Ministries, continued to engage our youth with new Sunday night groups, youth retreats, and the Habitat for Humanity Work Trip.

Diversity and Safe Space Initiatives

- Board of Outreach grants were given to The Weekday Preschool, Center for Inclusivity, Mully Children's Family, Project HOOD and Lighthouse.
- Adult Education hosted book discussion series on *The Hate You Give*, *Citizen* and *So You Want to Talk About Race*.
- Members participated in the South Suburban Diversity Dinner.
- FCC was the host site for multiple Community Peaceology Forums.

Community Engagement

- FCC hosted the second annual H-F Show-Off and inaugural Community House Fest, thanks to the leadership of Brooke King-LaBreck, Jamie Ford and many volunteers.
- Pastor Fred and author MaryAnn McKibben Dana hosted a series of discussions on *God*, *Improv*, and *the Art of Living*, attended by members and the community.
- FCC continued to host and serve PADS guests on Sunday evenings.

Sharing the good news about FCC and Jesus

- FCC launched new social media campaigns, thanks to Betsy Hanzelin's leadership.
- FCC continues to invite the community to worship and our programs with social media and H-F Chronicle publicity.
- We introduced "Bring a Friend to Church" Sundays and Welcome Neighbor door hangers.

We are blessed that Pastor Fred will continue his ministry at FCC through April 19, 2020, and I know he will help keep the ministry and mission of FCC moving forward with energy and purpose.

In closing, it's an exciting time of transformation and re-imagining for our church. Let's be open to God's voice and find new ways to Seek, Connect and Serve at FCC in the year ahead.

Blessings,

Senior Pastor Fred Lyon

Throughout 2018-2019, Flossmoor Community Church proved once again to be the congregation where we Seek-Connect-Serve in relation to one another and the world around us. I believe the biggest highlights of the year are:

- the offering of meaningful worship and educational opportunities from Sunday to Sunday and in special events;
- the ongoing nurturing of our commitment to be a welcoming congregation that engages the communities around us through the use of our church building and the Community House as venues not only for enrichment programs and family celebrations, but also important community-wide conversations, especially concerning race relations;
- the 20 new pledging units, and the 75 pledging units who increased their pledge from the previous year. The amount of our average pledge also increased.

On a personal note, I am thankful for the opportunity I had to take a partial sabbatical leave back in January. It was good to rest, renew, and spend time with Jan! I also want to give thanks for the life and ministry of Don Jones. I am glad that he is no longer suffering, but so sad he is no longer among us. All who knew Don will remember him as a good pastor and friend. May he rest in peace and rise in power.

Looking ahead to 2019-2020, it is my hope that FCC will

- grow even bolder in being the church where Christ is central and diversity is cherished;
- see fuller involvement of all members and friends of FCC in our ministries;
- provide even greater financial support of those ministries;
- I believe we are up to all sorts of challenges and encourage everyone to take their part in the opportunities to follow Jesus that we share together as a community of faith.

Through the past year I worked most directly with the Staff, Governing Board, Adult Ministries, Long Range Vision Committee, Board of Outreach Ministries, Personnel Committee, Stewardship Committee, Stephen Ministers, and Board of Worship and the Arts. Please take the time to read through all of this Annual Report, where you will see how much and how well you are served by our staff, boards, and committees.

As I have said many times before, it is a blessing to be your pastor, and I continue to be grateful for the opportunity to serve you. FCC is a great and faithful church. I hope to serve you well during this final year as your pastor, and I look forward to discovering what God has in store for FCC in 2019-2020!

Peace,

Congregational Enrichment

Betsy Hanzelin

In this position, I currently offer staff support to Adult Education Committee, Board of Congregational Life, Board of Lay Ministries and Nominating Committee. Additionally, I work in the areas of worship and communications and attend Governing Board.

I am most appreciative for the opportunity this Spring to take a six-week sabbatical. During this time I met regularly with a Spiritual Director, went on a personal retreat, went on vacation, and spent time in personal reflection and devotions. I would recommend that the church be diligent and pro-active in providing these opportunities to staff, encouraging staff to take advantage when eligible. Many thanks to the staff and members who filled in for me!

Children's Ministries

Leslie Maxie

HIGHLIGHTS

- We have continued to have wigglers for all weeks with the exception of Communion Sundays and holidays. This has been primarily run by Leslie Maxie with an occasional fill in of Tessa Zevallos.
- The Praygrounds have proven to be an invaluable asset to the worship space, allowing children to stay in worship with their parents. The tables have been taken away, leaving only soft things to sit and play with. All new toys have been purchased that are soft, quiet and engaging to kids with sensory concerns. Clipboards with coloring pages have also been added so kids can sit on pillows and color.
- The 3rd grade bible class was re-written to be more in line with our current mission, needs and issues. This was done by Leslie Maxie with the help of Betsy Hanzelin. The class was taught by Jessica Groen and Nils Wickstrom and was a huge success. There were 4 kids who received their bibles this year.
- Parent Observation days were added to Sunday school, allowing the parents to be a part of what's going on. The kids generally do some sort of performance on these days and one day is an appreciation day where the kids made breakfast for the parents.
- The fifth/sixth grade class made and served PADS dinner in February.
- Vacation Bible school was run last year by Leslie Maxie (July 16-19). We had about 70 kids participate and about 1/3 of them performed during worship that following Sunday.
- Children's Ministries hosted multiple fun events this year. We did a community Halloween party in lieu of trunk or treat. We had about 200 people in the Community House, many of them new faces. We also had the Blizzard Blast in January, also heavily attended with our kids and kids from the community.
- We also had a WooHOO Wednesday once per month. These events brought in many kids, mostly kids from the community. Hoping to get them more involved in the church going forward.
- Quest Youth Group taught Sunday School lessons for three weeks in March.
- Successful Ramp It Up dance party with Preschool families was held in May to share information about FCC and opportunities for Children, during the summer.
- WooHOO Wednesday events are planned throughout the summer for children 3 years – sixth grade, to enjoy fun and fellowship.
- Vacation Bible School is scheduled for Monday, July 15 - Thursday, July 18. The program will be run by Leslie Maxie.
- Children's Ministries will host a back-to-school kick-off event to get families excited and round up volunteers for the program year in August.

HOPES

- Continue to look for more ways to serve the children and families in the community.
- Bring more kids to the program and have them stay for the whole program year.
- Build a strong volunteer base.
- Continue working with the Spark rotation curriculum and personalize it to best suit our Ministry.

Youth Ministries

Allison Billings

This year was a year of change and transition for Youth Ministries, which is why our theme was “Just Roll with It”. We had a great year questioning why our ministry does what it does, what we love about it, and what we can say “goodbye” to. As we continue to figure out the best ways for the church to serve our families, we hope to keep this flexible spirit in mind.

HIGHLIGHTS

Our Leadership Team met Wednesday evenings from 7:30 -9 pm throughout the program year. We alternated weeks between planning for group and study night as we have in the past, choosing to use our study time focusing on brainstorming and vision casting for the future of Youth Ministries at FCC.

Our two Youth Groups met regularly on Sundays at 11 am from September through March. Quest, our high school group followed our previously Sophs curriculum, while Tribes, our junior high group, started their new 2-year rotation.

We held three retreats this year including: the Leadership retreat in August, the Personality Retreat in the fall, and the Sex Retreat in the winter. Our Spring Retreat for Quest was canceled due to lack of availability of our students.

This year, Youth Ministries also offered a new option. We held five Sunday Night Group meetings throughout the year focusing on service and fellowship. Our youth worked the first shift at PADS and served the meal twice, did a service project for SCARCE, had a Minute-to-Win-it game night, and a neighborhood scavenger hunt.

In October, youth were invited to help with World Communion Sunday and to serve communion. Thank you to the congregation and Pastor Fred for letting our youth help in this deeply meaningful way.

Quest worked with Children’s Ministries in February & March to help teach all three age groups for a few weeks. Our youth love getting the chance to work with younger kids and learn along side their younger peers. Thank you to Children’s Ministries for allowing the youth to “take over”!

YM hosted 2 Big Rooms this year. Both Big Rooms this year focused on two important liturgical seasons, Advent & Lent. Our staffers put on a Christmas Pageant (including costumes!) in December, and all youth participated in Lent prayer stations in March.

Traditional Youth Outreach: All youth participated in fundraising for Hurricane Florence relief efforts in the fall through the Hurricane Florence Frontline Recovery Fund. The youth & the congregation raised over \$650 in their efforts to help those effected by the hurricane on the NC Coast. Our Tribes group also raised \$700 for the Souper Bowl of Caring in February that we donated to Respond Now.

Work Trip: Our group of 9 students and 3 adults head to Staunton, VA to work with Habitat for Humanity June 8-15, 2019. If you would like to follow our work, please visit our blog at <https://fccyouthmin.tumblr.com/>

This year would not have been possible without my rock star Leadership Team! Our staffers this year were: Lily Callen, Judah Epperson, Madelyn Fitzgerald, Camille Hobson, Patrick Homrich, Nick Lundstrom, Shallon Malfeo, Nora Ryan, Callie Stilts, Henry Thiros, Lexie Van Voorhees, & Danny Wojslaw (Seniors) and Boaz Epperson, Caleb Hoereth, Lizzie Lipscomb, Tai Shonkwiler, Anna Thompson, & Jack Williams (Juniors). Our adult Lay Advisors were: Marc Billings, Annie Detrick, Josh Grenard, Emma Hanzelin, Marie Maass, & Carly Mayer. A huge “thank you” to them & all they make possible by giving their time to our ministry!

HOPES

We hope to keep doing what we’re doing! Increasing youth participation in worship, and our outreach to the community through more frequent projects throughout the year. We also look forward to another class of confirmands in the fall!

Youth Ministries is still on this “trial & error” journey, figuring out the ways that connect our youth to God, our congregation, and the greater community. We are hopeful for new ideas and models we’re looking forward to trying as we work through the challenges of a changing Church.

Music Ministries

Katie VanHeel

HIGHLIGHTS

Chancel Choir & Ringers

The Chancel Choir and Chancel Ringers have continued to flourish under the direction of Mike Rugen. Chancel Choir performed Faure's *Requiem* beautifully on Maundy Thursday. On Sunday, May 26, Chancel Ringers excitedly performed *Joy in the Morning* in front of the congregation, a technically difficult piece they had been rehearsing all year long. Several new members joined both ensembles this year. We love to see our ministry growing!

I would like to include a shout-out to the incomparable Vonda Hardesty. She is such a talent and we are so lucky to have her. I mean, who else would play Ozzy Osbourne on the organ for a Mother's Day church service and have it sound so beautiful?!

Praise Ensemble

Deborah Williams once again did an outstanding job leading our Praise team this year. Praise performed energetic and moving pieces during our worship services two to three times a month. We are sad to see Deborah go, but wish her all the best in her retirement!

Children's Choir

I get such a kick out of working with our talented kiddos. Singing *Jesus Loves Me* with eleven (!!!) kids in the choir on Sunday, March 10, was our favorite moment of the year. Children's Choir Sundays are truly some of the best Sundays!

Sound

The wonderful John Russell, a junior at HF, took over the reigns at the sound board this year. We are SO lucky to have him. Chris Johnson, our professional sound tech for Praise Sundays, left us in December. John stepped right in and took on the task of moving heavy equipment, figuring out what cord gets plugged into where, which switch operates which mic, and has done it all with ease and a smile. He has also covered the many weddings, memorial services, and other events we've hosted in our Sanctuary this year.

Summer Music

We have a full schedule of music set for this summer. We are looking forward to performances from some pick-up choirs, Shari Sweeney and Dot and Rex Brown, Jane Hindsley, David Rice, the Men's Quartet, and many more!

HOPES:

I would like more kids to join Children's Choir.

I would like more high school students to consider joining Chancel Choir and/or Ringers.

A brass quartet would be a wonderful addition to our Easter services.

More members of the congregation are always welcome to perform during the summer services.

Weekday Preschool

Dallas Collins, Interim Director

HIGHLIGHTS

- An enrollment of 117 children 18 month through 5 year olds in Parent/Toddler and preschool classes. All classes were full.

Nancy Wilson joined the staff as a four year old teacher.
- The Language and Literacy Circle Time program for the 2 and 3 year old classes under the direction of Erin Keigher, M.S., CCC-SLP continued. Mrs. Keigher also offered free speech and language screenings for the 3, 4 and 5 year old children in the fall.
- Enrichment programs offered an extended day option and included: STEAM, Health Club, Tumble Bears and Weekday Scientists. Monday, Wednesday and Friday “Lunch Breaks” also remained popular.
- Community building and Outreach activities included: Flossmoor Fest booth in September with fliers and bubbles for children, Pajama Project pajama drive at both Homewood and Flossmoor libraries, collecting pop tabs to support Ronald McDonald House and collaborating with School Districts 153 and 161 on their screening process and kindergarten readiness at teachers’ meetings.
- Thanks are due to the church members who volunteer their time on the WPS Directing Committee under the leadership of Sally Gregory. This group helps strengthen ties between the church and preschool and assists with the preschool budget, staffing issues and longer range planning decisions. This year a survey was sent to staff to assess their needs, the needs of their classrooms and WPS as a whole.
- Many thanks to the Weekday Preschool Parents’ Auxiliary (WPPA) and the many hours volunteering on behalf of the preschool programs including: Preschool gear & Scholastic Books sales, staffing and maintaining the Children’s Library, fundraising drives and Dine Out for Weekday events, publishing the “Word at Weekday”, the Teddy Bear Picnic, and organizing social events - Popsicle Social, Fall Sock Hop, Winter Family Fun Event, and most notably collecting more than 200 pounds of recyclable caps for our new buddy bench on the playground. Our playground is entirely volunteer maintained and this group also organizes volunteers for Saturday mornings three times a year to clean, re-furbish and spruce up the beautiful outdoor space.
- A successful fundraising year enabled the preschool to purchase books, toys and equipment.

Many thanks to the church for their support of this ministry, we wouldn’t be able to accomplish everything without you! We are looking forward to a wonderful 2019 – 2020 school year.

HIGHLIGHTS

Church Leadership Development

- Conducted a leadership session in August for the new Governing Board. Guest speaker, Rev. Lesley Weir explored “discernment” with the Board.

Welcoming and Connecting:

- Bring a Friend Sundays were started in Spring of 2019 on the second Sundays of the month. With assistance from Brooke King-LaBreck we created door tags to invite neighbors to attend church with us on those Sundays (and other times).
- Attempted to recruit more Hosts this year, as several former Hosts have moved or resigned from the post. We continue to seek individuals to welcome all those attending worship and assist with questions that may arise.
- Continued “First Encounter” ministry, which involves contacting visitors who sign the friendship folios during Worship.
- Members of the Board served as the FCC Welcoming Crew at the June Lighthouse Pride event, by greeting participants and providing poster-making supplies. Assistance was also provided at the Community House Fest in July.

Member Development:

- Hosted two Membership Information sessions in October and April.
- Welcomed seven new members into our faith family!
- Hosted a Newer Member Coffee & Connections event in the fall, to connect members who joined in the past two years with each other and other members.

HOPES

- To continue our efforts in making Flossmoor Community Church a welcoming place for all who walk through our doors.
- Encourage members to use the Door Tags and other invitations to bring visitors into our building.
- Better attendance and engagement at our meetings would assist the Board (and the newly created Board) to increase efforts towards fellowship, member development and relationship building.

Board of Worship & the Arts

Stephanie Poole Byrd, Chair

Our activities encompass all aspects of executing our weekly worship service. This includes the coordination of a variety of entities to provide a successful weekly worship service, as well as creating long-term plans to enhance and strengthen our total worship experience. We are continuing to concentrate on strategic visioning for worship service, as well as connecting with our local community through our various worship and arts offerings.

The board has worked closely with the church staff on the tracking, alignment and coordination of the ushers, greeter, liturgists, and communion needs that are required for worship service.

HIGHLIGHTS

- Successfully executed the second year of the adjusted Christmas worship services to 4 pm, 8 p.m., and 10 p.m.
- Provided greeters and liturgists for worship services.
- Organized communion presentation and clean up for worship service
- Coordinated music of Chancel Choir and Praise ensemble.
- Organized ongoing calendar for music, ushers, greeters, liturgists and communion for all services.
- Worked with church staff on best ways to inform members on using technology in service from pulling up the bulletin to tweeting during worship including using a poster which lists all pertinent technology information and how to access it.
- Worked with office staff to coordinate communion and ushers for services.
- Sponsored “Artist Talk” with local artist Kyrin Hobson. This was very well received by church members who asked that she come back again for a small series of art workshops. We plan to do more of these types of workshops in coordination with adult education in the upcoming program year.
- Provided specific sermon feedback to Fred via a written sermon feedback form.

HOPES

- We plan to continue adding paintings and works from church members, and local artists to our monthly art. We have several lined up for the fall. Within the realm of art, we will be displaying a retrospective of the books read by our church in adult education, as well as *One Book One Church* books. This will include over 45 books read by the church since 1995.
- The recent retirement of the Praise Ensemble director means that we will be working with personnel to assist with the hiring of a new Praise director.
- We will continue to work on getting quotes on the audio/visual systems and make a determination on what we will be able to implement to further improve the worship experience. We would then present those findings to the governing board.
- Explore and visit other worship services to determine if there are any practices that might be beneficial to our worship service experience.
- Continue to be the “behind the scenes” support that enables the pastor and staff to continue to deliver worship services that are efficient, effective and inspirational.
- We would like to explore looking at expanding the hymnal.

Nominating Committee

Theresa Gibbons, Chair

HIGHLIGHT

The Nominating Committee had a challenging year having to fill the next year's slate with 25 members and 5 Board Chairs/Elders. They rose to the challenge and were able to fill the open spots. The committee was also tasked with culling and discerning a group of candidates for the Pastoral Search Committee. Thank you to the congregation for your nominations, which assisted our tasks this Spring.

HOPE

That the new slate and Pastoral Search Committee seek to further the mission of the church in the coming year and for the years beyond.

Stewardship Committee

Rick Hanzelin, Chair

October was our Stewardship Season, and our theme for this year was "Abundance, Gratitude, and Hospitality", based on themes in the book "Slow Church". Jessica Groen led an engaging Adult Education class for four weeks. In worship, Pastor Fred preached four sermons and additional speakers from the congregation shared personal stories in worship, all centered on the themes. Stewardship felt it was important to be factual and informative regarding the state of the church and trends in pledging and giving, as well as celebrate the many gifts and blessings that inspire our giving to the work of Christ in the world through Flossmoor Community Church.

The stewardship season for our 2019 budget year ended with mixed news. Overall, fewer dollars have been pledged this year when compared to 2018. FCC is down around \$10,000 over the previous year's pledges with the total amount pledged around \$626,000. The church will be working over the coming months to plan ways to cover the gap. Additionally, the demographics of the congregation continue to change, as we lost a number of members last year either moving on to the next life, or physically moving away.

But this does not mean that our stewardship season is without good news. We welcomed over 20 new pledging units and over 75 pledging units agreed to increase their pledges this year. Also, our average amount pledge went up as well. These are all amazing trends as we look to the future of the church.

As we continue to evolve as a church, it will be vital that we all are aware, and we all share in the financial future of FCC so that we can continue to do God's work in this world.

Personnel Committee

Tim Sullivan, Chair

The Personnel Committee seeks to support the church's staff development and to ensure that the staff is comprised of people who are vested in helping the congregation pursue the mission of Flossmoor Community Church. ANNUAL REPORT FOR THE PERIOD ENDING MAY 31, 2019

Overview

The Flossmoor Community Church Foundation is dedicated to preserving and enhancing Flossmoor Community Church as a vital institution in the community. All members of Flossmoor Community Church are members of the Foundation. Our mission is to provide financial security for the long-term viability of the church's facilities and support for church outreach activities. The Foundation board is responsible for i) raising funds for the Foundation, ii) deploying the funds in accordance with fund policy and iii) managing the Foundation's assets by taking appropriate risk and protecting principal.

The changes for Fiscal Year 2019 from January 1, 2019 through May 31, 2019, are reported in this Annual Report. As of May 31, 2019 total assets were \$2,569,438 including \$239,000 in a residence, a cash reserve and designated cash for facilities investment of \$307,432*. The residence, cash reserve and designated cash were not available for investment. \$2,023,006 was invested with professional managers in a variety of funds. Investment decisions are made by the Foundation Investment Committee, which is advised by Morgan Stanley. These funds were invested as follows:

Investment	2019 Asset Value	% of Assets	2018 Asset Value	% of Assets
Restricted Cash*	\$ 307,432	13%	\$ 177,275	8%
Fixed Income	597,272	26%	577,263	26%
Equities	1,200,824	51%	1,308,256	57%
Alternatives	224,911	10%	204,800	9%
Totals	\$2,330,439	100%	\$2,267,594	100%

Total Investment and Cash Assets increased from \$2,267,594 as of December 31, 2018, to \$2,330,439 as of May 31, 2019, an increase of \$62,845 or 2.8%.

Portfolio Performance and Accomplishments

The Total Fund Balance increased from \$2,517,594 to \$2,569,438 an increase of \$51,845 or 2.1%. At the end of December 2018, market value was depressed substantially. In 2019 the market recovered through April when Foundation investments regained value. In order to provide the required cash reserves and take advantage of the strong market, equity stocks were sold and the funds were deposited in the restricted cash account.

The Flossmoor Community Church Foundation is chartered to support Flossmoor Community Church Facilities with 90% of the contributions and outreach with 10% of the contributions. Annually the Foundation reserves 5% of the unrestricted fund balance and contributes approximately \$62,000 for facilities operations and for outreach.

In 2016, the Foundation Board requested a new facilities plan in order to more proactively and cost effectively address the facilities needs before becoming costly emergencies. Reserve Advisors were retained and updated the 2004 Plan. In July 2017 the FCC Foundation Members approved the recommendations.

In Fiscal Year 2018, FCCF reimbursed FCC for several projects including: phone system, community house stairs renovation and floor refinishing, HVAC control system, LED lights for a totaling costs of \$42,508. FCCF has reimbursed FCC for all these costs as the projects were within the scope of the Facilities Plan expenditures.

The 2019 facilities project budget includes these projects: fragile stain glass windows repairs; exterior trim, soffit and fascia painting; masonry repairs; window and door repairs and sealants; remainder of the second floor improvements. The total cost estimate from the Plan is \$96,664.

Thilenius Property Donation

Otto and Elsbeth Thilenius donated their property at 2638 Gordon Drive in Flossmoor to the FCC Foundation. This year the Foundation assumed all ownership of the property. After consultation with FCC leadership and deliberations by the Foundation Board, the decision was made to improve the property in order to offer it for public sale. The improvements have been completed and the property is listed through Baird & Warner Realty for the current sale price of \$239,000. The significant costs of the improvements and the significant costs of the sales transactions are being paid by the Foundation until proceeds from the public sale are available. Net proceeds from the sale will be used as required by the bylaws of the Foundation for the benefit of FCC. FCC members interested in the property may contact Baird & Warner Realty for additional information about the sale of the property.

HIGHLIGHTS

Women were invited to come together to be educated in a female-friendly environment. Over the past year we have had women educate us on: financial planning, funeral arrangements and end of life documents as well as updates to the new tax laws and how the changes were going to affect us. Each meeting had at least one non-member attending.

HOPES

My goal was to invite as many women in the community to learn about a topic that they were interested in.

I was trying to capture attention of non-members by using the church Facebook page and posting invitations around the neighborhood.
